

Ex-wives Make the Best Wives

Topher Gayle

Ex-wives make the best wives
Mellow just like sherry wine
Ex-wives make the best wives
You oughta get a look at mine

Ex-wives know the best lines
Best to make you feel all right
They've tried 'em, they've refined 'em
On their experimental guy

I had a wife, pretty as pie
She took a hike with some other guy
Now it might seem just a little complex
But I'm living my dream with another guy's ex

Ex-wives make the best wives
I'm telling you this ain't no lie
Ex-wives make the best wives
Best at making me a happy guy
