

## Jamming with the Timer

Topher Gayle

Slide the tray in, close the door  
Fifteen minute: wait some more  
Timer tickin', cookies bakin'  
That funky rhythm, got me ta shakin'

Jammin', jammin', jammin', jammin', jammin' with the timer!  
Jammin', jammin', jammin', jammin', jammin' with the timer!

Grab my mandolin, pick up the backbeat  
Put another batch in, they're smellin' so sweet  
Fetch your fiddle, and join right in  
Lickin' the paddle, cookies in the oven

Nutty oatmeal, *chocolate chips*.  
Smell them browning, *lick your lips*  
We can't eat 'em, *til the timer rings*  
We're jammin' with the timer, *'til it dings*

Come on and ding now, come on and ding now  
Come on and ding now, come on and ding now  
Ding-ding ding-ding, ding-ding ding-ding  
Ding-ding ding-ding, ding-ding ding-ding

Come on and sing now, come on and sing now  
Come on and sing now, come on and sing now  
Ding-ding ding-ding, ding-ding ding-ding  
Ding-ding ding-ding, ding-ding ding-ding

Jammin', jammin', jammin', jammin', jammin' with the timer!  
Jammin', jammin', jammin', jammin', jammin' with the timer!

Jammin', jammin', jammin', jammin', jammin' with the timer!  
Jammin', jammin', jammin', jammin', jammin' with the timer!

Jammin', jammin', jammin', jammin', jammin' with the timer!
